

Randy Bryan Moore, MSW

**ASSISTANT DIRECTOR, ADVANCEMENT
SYSTEMS & OPERATIONS • CANDIDATE
BRIEFING**

Richmond, Virginia
randybryanmoore@gmail.com
(803) 486-4007

How I Think

Most operations hires are evaluated on which systems they've touched. I'd rather be evaluated on how I think, because the systems change every few years and the thinking is what transfers.

When I meet an established process, my instinct is archaeological — who built this, what were they solving for, and which assumptions have quietly expired. Most dysfunction isn't designed; it accumulates. I work at three focal lengths at once: the granular mechanics, the structural handoffs between departments, and what it costs a person to use a system that fights them. Thirteen years in advocacy and a working life at the piano taught me the same skill — hearing which signal matters and which noise is just crowding it.

Archaeology before architecture · Three focal lengths · Friction is data · Built, not borrowed

A Master of Social Work (MSW) systems practitioner and nonprofit operations leader with ten-plus years across advocacy, government, and housing. Contract pianist (4-year resident performer at The Jefferson Hotel since 2022).

"My background is broader than traditional advancement operations, and I have not yet administered Bloomerang. I do bring hands-on experience with EveryAction, Microsoft Office, reporting, process design, and cross-functional nonprofit operations." — From cover letter, August 7, 2026

Four Core Transferable Pillars

01

CRM Discipline, Ready to Transfer
Five years of hands-on EveryAction work — constituent tagging, segmentation, outreach lists, and follow-up workflows. Bloomerang is new; the discipline isn't.

02

Budget Discipline Applied to Reconciliation
Built and tracked budget and policy strategy tied to the Virginia Housing Trust Fund allocation process at VHA — the same dollars-against-deadlines habit brought to Advancement–Finance.

03

Event & Coalition Operations
Coordinated 55 General Assembly meetings for SCAN, 40+ public engagements for Senator Warner's office, and annual statewide conferences at VHA.

04

Community & Artistic Resonance
Contract pianist (4-year resident performer at The Jefferson Hotel) and music instructor at School of Rock Midlothian, connecting authentically with patrons, musicians, and donors.

Position Requirements Alignment

INSTITUTIONAL AREA	RANDY'S DEMONSTRATED TRACK RECORD
CRM Administration (Bloomerang)	5 years administering EveryAction — constituent tagging, segmentation, reporting. Ready to master Bloomerang mechanics.

INSTITUTIONAL AREA	RANDY'S DEMONSTRATED TRACK RECORD
Finance Subledger Reconciliation	Nearest precedent: budget strategy tied to state trust fund allocations at VHA. Ready to learn Finance's existing gift reconciliation steps.
People Leadership & Staff Development	Supervised graduate interns as MSW field instructor at VHA; trained 40 partner orgs at VCET. Ready to lead Annual Fund Manager & Advancement Assistant.
Event Operations & Logistics	Organized 40+ public engagements for Senator Warner and coordinated statewide conferences at VHA.
Stewardship & Empathy	MSW clinical systems training applied to constituent tracking, stakeholder briefs, and community correspondence.

Onboarding Plan & Professional History

30-60-90 DAY PLAN • RANDY BRYAN MOORE, MSW

Richmond Symphony
Candidate Dossier
Passcode: 0000

30-60-90 Day Advancement Execution Roadmap

North Star: *"Build trustworthy systems that protect donor intent, reduce staff friction, and turn relationship data into decisions."*

DAYS 01 – 30 • UNDERSTAND + VERIFY

Define \$6.9M Goal & Map Bloomerang

Audit Bloomerang CRM schema, custom fields & integrations. Trace gift lifecycles & Finance SLAs, interview Advancement/Finance teams, and identify quick wins.

DAYS 31 – 60 • STANDARDIZE + STRENGTHEN

Workflows, Acknowledgments & Coaching

Codify shared data entry standards, automate gift & acknowledgment workflows (<48h SLA), launch Advancement-Finance dashboard, and coach team.

DAYS 61 – 90+ • ANALYZE + BUILD FORWARD

Retention, Reporting Cadence & Systems Roadmap

Review donor retention rates & major gift pipeline velocity, finalize Board/Executive reporting cadence, launch automated data quality checks, and evaluate low-risk pilot.

Verified Professional History & Public Service

Save the Children Action Network • Virginia State Manager (12/24 – 11/25)

Led statewide advocacy operations and coordinated 55 General Assembly meetings; used EveryAction to capture, tag, and organize constituent engagement.

Active Minds • Policy Manager (04/22 – 12/24)

Built the organization's first federal policy platform and tracking systems; led a 10-organization coalition and engaged 50+ legislative offices.

Office of U.S. Senator Mark R. Warner • Outreach Representative (08/20 – 04/22)

Managed communication across 40+ Central Virginia counties; prepared senior-level briefs and organized 40+ public engagements.

Virginia Housing Alliance • Director of Policy and Advocacy (12/17 – 05/20)

Developed housing policy, budget, and campaign strategy; supervised graduate interns as MSW field instructor.

Virginia Civic Engagement Table & For Our Future Fund • Community Organizer (02/17 – 12/17)

Built systems and training support for 40 partner organizations across Virginia; designed and delivered trainings and coordinated shared campaign timelines.
